SUBJECT: MIGRATORY BIRD, THREATENED AND ENDANGERED SPECIES, AND
WETLANDS EVALUATION FOR B-4 DAM TOE-BLANKET CONSTRUCTION -
MBM - 079 - 95

On September 1, 1995 Ecology personnel renewed all clearances for migratory bird, threatened and endangered species, and wetlands for the B-4 Dam Toe-Blanket project. Trapping for Preble's Meadow Jumping Mice is ongoing at the site in accordance with an agreement between the U. S. Fish and Wildlife Service. Clearances for migratory birds are extended through September 15, 1995.
